(3) When an owner or agent fails to bring the property into compliance with this article within ten days of the notice of violation, then any duly authorized employee of the township or contractor hired by the township shall be authorized to enter upon the property and cut and destroy the weeds growing thereon, and the costs (including a ten percent administrative charge) of such removal shall be billed to and paid by the owner or agent responsible for the property. The bill shall include an account of the labor, material and service for which the expense was incurred and shall become a lien upon the property on which work has been done. Payment shall be due and payable to the township within 30 days of the bill being served on the property owner or agent. Such service shall be as provided in section 107.
