About the Event

The purpose of this public visioning session is to receive public input on the future design and development of Stanley Park (located west of Elizabeth Lake Road, south of Highland Road). This visioning session will allow residents the opportunity to “brain storm” and generate creative ideas to form a vision for the future development of this Park. This visioning session is anticipated to last about 1.5 hours and will include socially-distanced discussion and visioning exercises.

Persons interested are requested to be present. Persons interested may visit the Planning Department, contact the Planning Department by telephone at 248-698-3300 ext. 177, or attend the Visioning Session on the date specified. Written comments are also welcome at White Lake Township Planning Department, 7525 Highland Road, White Lake, MI 48383. Individuals with disabilities requiring auxiliary aids or services should contact the Clerk's Office at least 5 days before the Visioning Session.
