Dear White Lake Residents

White Lake Township learned on November 21st that it has been a victim of a sophisticated cybersecurity attack that resulted in a compromised financial transaction related to a new issue of infrastructure bonds.

This matter is now under active investigation by federal authorities and impacted financial institutions, who are coordinating with the White Lake Township Police Department. While this matter is under investigation certain aspects of the Township's new Civic Center project will be placed on hold. White Lake Township is conducting a comprehensive review of its internal systems and procedures.

No further details of the incident are available at this time as this is an ongoing investigation. We are committed to being transparent. As we learn more, we will keep you informed.

White Lake Township Chief of Police Daniel Keller
